**God sends us many precious gifts,  
But there none that can compare  
With the wonder of our baby  
Who's the answer to our prayer.  
The sparkle in those almond eyes  
Is like the twinkling stars at night,  
And the smile on that moon-shaped  
Face is like sunshine's golden light.  
An angel child with raven hair  
And tiny little nose.  
Skin so soft and perfect  
As the petals of a rose.  
No miracle's as wondrous-  
Not trees, nor sky, nor sun-  
As this "little bit of heaven," and  
Our new life that's just begun!**
